

# *We take better care of your best friend.*

We voluntarily sought accreditation by the American Animal Hospital Association. This means that we regularly have our practice evaluated by an expert to ensure that we comply with the highest standards in veterinary care. And it means that you can be sure your pet is receiving the best possible care. Ask us about our AAHA accreditation and how it affects your pet.

## **We are evaluated in these areas:**

- Anesthesia
- Client Service
- Contagious Disease
- Continuing Education
- Dentistry
- Diagnostic Imaging
- Emergency/Urgent Care
- Examination Facilities
